

1. Welcome

Welcome to Tamainu Tatana, Mikeyla Miller (Room 2), Marie Wing, Leisha Lewis (Room 1). Our roll now sits at 39.

2. Other Matters

1. Bus - If your child/ren will not be travelling on the school bus, PLEASE contact Neville or Noelene to let them know, even if this is due to a school event. Either phone or txt on 0278148865 or ring their landline 872 4321. **You may park your vehicle in the bus bay between 9am and 2.45pm but not during collection and drop off times.** It is very difficult for our drivers to drop off and collect your children when there is a car in the way.

Please note: Due to tight time constraints your child/ren will need to be at their bus stop 5 mins early as our drivers will be unable to wait for child/ren who are late to their stops.

2. Absentees - Please contact the school office if your child/ren are away. As part of the Ministry of Education requirements, we must notify them of student attendance. If we do not hear from you your child will be marked as unexplained, or truant.

3. Canteen - Orders are taken on Monday and Friday. Please can you send your child/ren to school with their orders in an envelope and hand into the office before school starts. Prices are; Pies \$2.20, Pizza \$2.20, Popcorn / buffalo chips \$1, Juices \$1, Chocolate muffin \$1.30.

4. School lunch rubbish - To keep the recycling to a minimum we will be requesting that all rubbish from school lunches is to be returned home. This will also stop rubbish from being left on the school grounds. Please can you support this and encourage your children to return all rubbish in their lunch boxes each day.

5. Scholastic Book Club - Issue 5 of Book Club is OUT NOW and we have a lot of reading FUN for you this term!

Vision and Hearing Checks in School

Vision Hearing Technicians from Community and Southern Rural Health will be visiting our school. The objective of the test is to identify previously undetected vision and hearing defects.

Which children are routinely checked?

- Catch up screening for children who have not completed vision and hearing checks as part of their B4 School Check
- Children absent from previous visit, require retests or follow up
- In special circumstances, parents, teachers or others may request a vision or hearing check.
- New immigrants
- All Year 7 student's vision only.

What tests are carried out?

Ears

- Audiometry (hearing test)
- Tympanometry—middle ear function test (only carried out when hearing test is not within a normal range)

Eyes

Long distance vision tests—not a complete visual examination but a simple screening test.

NB All of these checks are non-invasive, safe and should cause no discomfort.

The vision hearing technician will notify parents of all test results, enter results on Ministry of Education database (Enrol).

The vision hearing technician will obtain personal details from the school ie; names, date of birth. If the technician needs to contact parents or caregivers following the visit, addresses and phone numbers will also be required.

Our service may share this information with other health professionals involved in the children's care.

If any parents/caregiver's do not want their child to be checked, or their child is currently under specialist care for a vision or hearing defect, they should let the school know.

Meet Clever Kash

Show kids the magic of saving.

In a cashless world, it's hard for children to understand the value of money. So ASB created Clever Kash, the cashless moneybox that teaches kids to save and achieve their savings goals.
