Newsletter Week 6 Term Three

Tena koutou katoa

Well done to all the Arohena learners that took part in the Tough Guy and Gal challenge last week in Rotorua. It was great to see our children outside of school enjoying this event. It was neat to see each child had set themselves a goal either to go as fast as they could, collect the most mud or simply finish the course. I look forward to our next outdoor challenge, The Weetbix triathlon in December.

We would like to introduce you to our Arohena learners.

The Arohena learner demonstrates the learner dispositions;

Perseverance, Respect, Innovation, Drive and Empathy; PRIDE.

These are the qualities our school community think are important for our learners so that they are able to thrive as lifelong learners. This year we have begun to embed these in school practices and recognize them when we see them.

Weeks five and six of this term we are unpacking EMPATHY. Empathy is one of our learner dispositions at Arohena School and part of our learners showing Arohena PRIDE. We have interpreted Empathy as being "the ability to understand and share the feelings of another"

I wonder if there are ways at home that our tamariki show Empathy too?
