Newsletter Week 2 Term Four

Tena koutou katoa

Welcome back to term four everyone.

This term we welcome Whaea Vi to our school for the term while we appoint a new teacher for 2020. Whaea Vi has already won the hearts and minds of the learners in room one and we love hearing singing and music every day as part of her programme of learning.

Thank you for all of your support with our AG day last week. Even though it was a windy, cold day we managed to escape the rain and enjoy the day together. It was great to see so many of our children involved and demonstrate perseverance with their lambs. Another great memorable experience for our learners here at Arohena School.

This week our children also participated in First Aid for Kids. This programme is supported in schools by St Johns and ASB. Due to the isolation of our community and the existence of our community first responders we thought it would be a meaningful piece of learning for our children here at school.

The focus for our learners in our senior class was being an "Emergency First Aider" and in our junior class was being "Emergency Smart". It would be a good idea to talk with your children about what they have learned and practice skills such as the recovery position.

Our hot lunches will continue this term. The children have enjoyed getting together at lunch time in the multi-purpose room to share lunch together. Hot lunches are now on Wednesdays.

This Friday we have been invited to visit the Arohena DOC site to tidy up previous plantings and have a shared picnic with our families. We would love to have as many adults around to help us out from 12pm onwards. Permission slips will be sent home in the next few days.

We are all looking forward to an exciting and rewarding term four.

Regards,  
Lisa Bates
